

THE NEW ENGLAND UNIT, INC. OF THE HERB SOCIETY OF AMERICA, INC.

Members of The New England Unit, Inc. (NEU) actively participate and support the programs of the unit and projects of The Herb Society of America, Inc. (HSA) by contributing time and expertise. This includes volunteering in the Teaching Herb Garden and helping at our annual Herb Plant Sale.

There are many avenues for educational growth, including symposia, workshops, tending public herb gardens, newsletters, lectures and meetings. Meetings of the New England Unit are held throughout the year in the New England states. Most meetings are held during the week, during the day, because of the distances members travel. For more information, visit our website: www.neuhsa.org.
